### Products Featured

This project included:

Versa Backed Bench (VSA1)

Versa Backless Bench (VSA2)

Versa Table (VSA4)

To view the full Versa range, visit our website.

### Context

A selection of Versa furniture items were displayed in Brisbane City Parklands to capture the newly designed S+G suite.

### Considerations

The design of the Versa Suite was refined to prioritise cost effectiveness and material efficiency without sacrificing quality. The furniture range also complies with LIM (Landscape Infrastructure Manual) standards for product longevity and accessibility.

### Opportunities

The Versa Suite was designed with the intention to create a more contemporary, versatile suite with multiple material and finish options.
